

F300

Standalone Fingerprint

Features:

- Digital fingerprint time attendance device with fashionable desktop design.
- Accure 2009 optical fingerprint sensor + Accure Finger 9.0 ver algorithm
- Standard USB communication. Plug and Play
- Built-in 1300 mAh lithium ion battery support 4 hours continuous operation if power-down
- Different languages and easy operation method

Specifications:

Fingerprint Capacity	1.500 templates
Event Capacity	30.000 events
Hardware Platform	Microvision10
Fingerprint Sensor	Microvision 2009 Optical Fingerprint Sensor
Display	Black & White LCD
Back-up Battery	1300 mAh lithium ion battery
Communication	USB Client
Identification Speed	<2 sec
FAR	<0.0001 %
FRR	<1%
Operation Temperature	0 - 45 C
Operation Humidity	20%-80%
Power Supply	DC 5V 800mA
Dimension	158 x 124 x 110 mm
